FHA Girls Donate To Children's Park

Teresa Cyrus, Janice Giles and Robin Tomlin of the Appomattox Senior Chapter Future Homemakers of America are shown presenting Phil Krajewski, Danny Hix, and Joey Bondurant, members of the FFA with a donation for the Children's Park - a project sponsored by the FFA Chapter.

These FHA girls are working on their State Homemaker Degree in which they have selected individual goals for personal growth in their needs, interest and abilities. All three girls have put a special emphasis on children in their degree work and this community project fits in with their interest in this area.

Help Keep Our Landfill Containers Clean

We all should be proud of the job our county, Appomattox, is doing in collecting litter and garbage in the green landfill containers located throughout the county. It's much more convenient to dispose of litter in these containers than to haul it to the county dump. For our environment, where litter just doesn't fit, these landfill containers make it just as easy to put garbage where it belongs rather than alongside our highways, in illegal dumps, or in a gully behind the house.

Pictured (above) is the landfill container site below Oakville or what we call Pennslane. If you're familiar with this site, you'll notice the absence of litter aorund these containers. The Oakville Senior 4-H Club is responsible for this. As a community service project, they have agreed to keep the area around the containers at Pennslane and the Oakville School clean. Much of the litter at this site was there before the container site was established, however in depositing litter in the containers, we can expect some to be misplaced. Would your club or church be your club or church be interested in keeping a container site near your clean? If so,contact the Appomattox County Extension Office, 352-8244. Let's keep our county as clean as possible.
